

Enhanced Teacher Portal

Clever is updating the portal with a fresh look and feel to make it easier for teachers to find and use resources. We will retire the current portal experience in July 2024 and transition all teachers to the new, Enhanced Teacher Portal.

What to expect next

Saved classroom time

Over 390,000 teachers are using the Enhanced Teacher Portal and our tests show that they are accessing their resources twice as fast as teachers using the classic portal.

Learn at your own pace

You can preview the Enhanced Teacher Portal using a toggle in your navigation. You can switch back and forth between the current and new portal experiences until July 2024 when we will retire the Classic Teacher Portal.

Become an expert with resources and education

Clever is updating all of our customer education to reflect the Enhanced Teacher Portal. We also have a collection of resources available now in Clever Academy that will help teachers become experts on saving classroom time using the Enhanced Teacher Portal.
